

## Village HoliDazzle Festivities Light Up Fleet Avenue

Kicking off the holiday season on Fleet Avenue, the second annual Village HoliDazzle brought out all the best parts of Slavic Village.

With generous donations from the Fleet Stakeholders and other local businesses, a free potluck filled the bellies of over 300 neighbors at local artist hub, the Magalen.

David Krakowski can typically be found singing hymns at Sunday mass at St. Stanislaus, but he brought his skills out, dressed in a fluffy beard and papal headgear, to lead the caroling tune to light the Fleet Christmas trees.

The festivities resumed back inside with the Good Knights performing Americana styled Christmas songs and the holiday market drawing shoppers to the second floor.

When Mr. and Mrs. Claus arrived to the scene, the collective gasp from the children could have been heard from down the street. Santa greeted the ecstatic crowd and took to his decorated throne to handout candy canes and books, as a part of the Little Free Library initiative.

## Slavic Village Development Partners with City of Maple Heights to Renovate Homes in Innovative New Project

The Maple Heights Homeownership Program is an initiative that will make vacant and distressed homes in Maple Heights available for purchase by both owner-occupants and developers, bringing investment to the city, stabilizing the local housing market and providing an affordable DIY home purchase option. The innovative new project is made possible through a partnership between the City of Maple Heights, Slavic Village Development, and the Cuyahoga County Land Bank, and is the first collaboration of its kind between a Cleveland community development corporation and a local suburb.

Slavic Village Development will work in tandem with the Cuyahoga County Land Bank to acquire vacant properties from a variety of potential sources, including tax foreclosures, mortgage foreclosures, and donations, among others.

As properties become available, the City of Maple Heights will advertise properties for sale, allowing an exclusive 30-day window for owner occupants, while Slavic Village Development guides buyers through the application and purchase process. The program utilizes a scope of work, deed restrictions, and a reversionary clause to ensure that a property's renovation by its new owner aligns with the renovation standard.

Maple Heights Affordable Homes is modeled after Slavic Village Development's highly successful Neighbors Invest in Broadway (NIB) Program. The target market for this program has been homeowners and local developers who have the capacity and resources to complete a moderate rehab, therefore building instant equity in their properties.

Seventy-five formerly vacant and distressed homes have been acquired by Slavic Village Development and subsequently sold through NIB to new homeowners to be renovated. Throughout the lifetime of the program, over \$2 million in investment has been brought into the Broadway Slavic Village neighborhood through the rehabilitation of NIB homes.

"Our city has endured high rates of mortgage foreclosures since the housing crisis began nearly a decade ago," states Mayor Annette Blackwell, "so I am extremely pleased that we have been able to develop The Maple Heights Homeownership Program to interested homebuyers. This program will bring

investment to the city, stabilize our local housing market, and bring the dream of homeownership to so many people. The City of Maple Heights has affordable housing, along with quality homes and neighborhoods, in an ideal community where residents can enjoy the friendliness typical of small-town living, yet experience conveniences usually found in larger metropolitan cities."

Through this exciting initiative between the City of Maple Heights and Slavic Village Development, vacant and abandoned homes that were once a source of concern for neighbors will now be transformed into high quality rentals and affordable homeownership opportunities.

Slavic Village Development brings 30 years of experience in housing development, expertise which Maple Heights will utilize to ultimately make the program both self-sustaining and lucrative for the city. Maple Heights Homeownership Program will save the vacant housing stock from further deterioration and demolition, while also boosting the local housing market and saving local tax dollars.

To view available homes, visit [citymapleheights.com](http://citymapleheights.com). To learn more about the program, contact Michelle at Slavic Village Development by phone at 216-429-1182 ext. 102 or by email at [michelleb@slavicvillage.org](mailto:michelleb@slavicvillage.org).

# New City Council Representatives for Ward 2 and Ward 6

## Councilman Kevin L. Bishop

Councilman Bishop represents Ward 2, which includes Mt. Pleasant, Union-Miles and Mill Creek Fall Neighborhoods. He was elected November 2017 to serve a four-year term. Councilman Bishop serves on four council committees: Development Planning & Sustainability; Municipal Services & Properties; Transportation and Utilities.

Councilman Bishop grew up in Cleveland. His employment at the Buckeye Area Corp. and at Nestle, where he served also as a board member of Nestle's Credit Union, allowed him to become familiar with local government, the need and benefit of recreational opportunities, fiduciary responsibility and organizational compliance.

As a member of Cleveland City Council, he commits to working with the community and the council to ensure Ward 2 gets its fair share of resources. Councilman Bishop plans on using these resources to improve safety, assist seniors, create recreational and mentoring opportunities for the youth and address abandoned structures.

He intends to increase the economic development in Ward 2. Councilman Bishop understands firsthand the challenges and rewards of being an entrepreneur. He started his transportation business after working for Nestle for 17 years, and will use his experience as a small business and real estate developer to attract and develop new and existing businesses within the ward. Councilman Bishop graduated from Chanel High School and while working a full-time job obtained a bachelor degree in Business Administration from Cleveland State University.

**Kevin L. Bishop Ward 2**

**Office: 216.664.4945**

**Executive Assistant: Naila Deskins; ndeskins@clevelandcitycouncil.org**

## Councilman Blaine A. Griffin

Ward 6 Councilman Griffin represents one of Cleveland's most diverse wards, encompassing the East Side neighborhoods of Fairfax, Larchmere, Little Italy, Woodland Hills, and parts of Buckeye-Shaker, University Circle, North Broadway, Slavic Village and Union-Miles. Councilman Griffin is chairman of council's Health & Human Services Committee and sits on four other committees — Finance, Safety, Workforce & Community Benefits and Operations.

Prior to serving on council, Councilman Griffin had been executive director of the city's Community Relations Board for 11 years. He led a staff and board trustees in efforts to improve cross-culture relations throughout the city. The Community Relations Board also oversees police/community relations and youth initiatives.

He is affiliated with a number of community and professional organizations: He is a member of Mount Sinai Ministries; F.B.I. Citizen's Academy; Malone University Advisory Board; Ecclesiastes #120 Lodge of the Free and Accepted Masons; and Bezaleel Consistory #15. Griffin is a graduate of the Cleveland State University Maxine Goodman Levine College of Urban Affairs Leadership Academy and the Cleveland Leadership Center's Leadership Cleveland; Class of 2014, as well as a German Marshall Memorial Fellow.

Councilman Griffin, originally from Youngstown, moved to Cleveland in 1993. He and his wife of 20 years, Jeanette, and their three sons live in the Larchmere neighborhood of Ward 6. Griffin graduated from Malone College in Canton, Ohio, with a Bachelor of Arts degree in communications.

**Blaine A. Griffin Ward 6**

**Office: 216.664.4234**

**Executive Assistant: Remie Crawford; rcrawford@clevelandcitycouncil.org**

## Paczki Day Coming Early This Year; Fleet Fat Thursday

The Slavic Village community welcomes you to The Magalen, located at 5203 Fleet Ave., on February 8th (doors open 5:30pm) to kick-off the week long indulgence of Paczki eating.

Since the middle ages in Poland, paczki has been made during the week before Lent. Polish Catholics found the recipe excellent for utilizing all of the lard, sugar, eggs and fruit in the house. These foods were not to be consumed during Lent due to Catholic fasting practices. Frequently described as a donut, paczki is a deep-fried dough shaped into a flattened sphere and filled with a sweet filling.

The festivities kick off with a Paczki Parade from Seven Roses Deli, located at 6301 Fleet Ave. at 6:00pm, concluding at the Magalen where you will be able to purchase delectable traditional Polish Paczki, Pierogi and Stuffed Cabbage. Beer, soda and coffee will also be available for your purchase. Bring your dancing shoes and polka the calories away to the sounds of the Tom Katrenich Orchestra.

Free admission. Proceeds from this celebration of Paczki will go directly to support the upcoming Polish Constitution Day Parade on Sunday, April 29th.

# Green Infrastructure Projects in Broadway Slavic Village

SVD has partnered with NEORSD to bring Green Infrastructure Projects to the Slavic Village Broadway community. The projects represent an outstanding, high visibility, demonstration of how to transform vacant lots and former brownfield sites into urban open space serving multiple functions including green infrastructure, public art, public education, and neighborhood revitalization. These projects build on prior investments in the community in the form of trails, site demolitions, and public art installations.

The completion of Arch Park takes a long time urban eyesore and transforms it into a wonderful community amenity. Phase I of the project completed in 2015 included the "Cycle of Arches" Gateway public art, signage and seating located on the corner of East 49<sup>th</sup> St. and Broadway Ave. The Phase II project took place with a grant from the NEORSD, and completes the transformation with green infrastructure, new pathways and landscaping.

There are two main features to the park design. One is a depressed bioswale filled with native grasses and perennials and the other is a series of landscape mounds. Each feature brings a different kind of activity to the site. The bioswale and natural area encourages resting, quiet conversation, and education, while the mounds encourage active play and facilitate future programming in front of the fire station's wall. Each also speaks to an aspect of the storm water management. The bioswale speaks to treatment and catchment, while the mounds serve as exaggerated channels directing the water to the swale.

The stormwater management system developed for this site will capture stormwater run-off from the site itself and also runoff from portions of Broadway and East 49<sup>th</sup> Street. Curb inlets were created just upstream of existing catch basins, and grated runnels will channel runoff through the public right-of-way and into the bioswale.

Union Ave. Green Infrastructure Basin - is currently under construction with a completion date of 2018.

The Sewer District is constructing a green infrastructure (GI) project containing a large-scale green infrastructure stormwater detention basin at the intersection of Union Avenue and East 70th Street (south side of Union Avenue). This project is designed to capture stormwater before it enters the combined sewer system, and prevent approximately 1 million gallons of combined sewage from discharging into the Morgana Run Culvert annually. The project is being constructed adjacent to the existing Morgana Run Trail and will also include seating and trail linkages.

## 'Basics of Home Repair' Series

As a part of the 2018 One Home At A Time programming, Slavic Village Development is excited to bring the highly regarded educators and community partners from the Home Repair Resource Center to teach a "Basics of Home Repairs" series in the Slavic Village neighborhood. These six-week hands-on workshop series helps residents get comfortable with the use of power tools, learn the basics of plaster and wall repair, simple electrical (light fixtures and outlets), plumbing (faucets and traps), interior painting, ceramic tiling, home maintenance schedules and so much more!

Cost for this series is \$125 for residents (\$150 for non Slavic Village residents) for the 6 weeks. (Sliding scale Scholarships are offered to Slavic Village residents based on income and need). Participants have to commit to all 6 classes to participate. Upon completion, residents will have access to a tool lending library as well as a gift card to start their first home repair project.

Space is limited. Please contact Lynn Rodemann at 216-584-5966 or at LynnR@slavicvillage.org to register or for questions about the programming.

# Cleveland Chain Reaction Wraps Up in Slavic Village

The Cleveland Chain Reaction project's main objective was to create jobs, investment and prosperity in Slavic Village while providing education and information for entrepreneurs and aspiring business owners to benefit our community. This project is bringing nearly \$1 million of direct investment to Slavic Village by locating six new businesses in the neighborhood.

Five Cleveland Investors have been involved on the investment side of this project. It began when six neighborhoods, in Greater Cleveland, were invited to submit proposals of why their neighborhood was ready for this influx of investment. Slavic Village was the neighborhood of choice and the Chain Reaction team invited small businesses that were either start-ups or expansions to submit a proposal to locate in the neighborhood. Over 100 businesses applied and from that group six were picked.

The winning businesses include LinaWines, Midwest Basics, Metro Croissants, Holmes Mouth Watering Applesauce, Sides to go! BBQ, and Baby Munch. These businesses are primarily searching for production and retail spaces around Broadway and Fleet in Slavic Village. Most businesses will expect to open throughout 2018. Slavic Village Development will work with the entrepreneurs and investors to find the most suitable business locations. The investors will be lending a minimum of \$130,000 each to get their operations up and running in the neighborhood.

Along with the private investment, the City of Cleveland put in a \$30k grant, which will give each business \$5k towards marketing, signage or improvements to their space. This project is continuing to have a positive impact in the neighborhood in the areas of employment and economic development

The Chain Reaction project is wrapping up as a success but Slavic Village is still open for new businesses. If you are a small business owner that is interested in expanding or moving your business into the neighborhood contact Slavic Village Development's Director of Business Development, Marilyn Mosinski at Marilynm@slavicvillage.org

## Storefront Renovation Program

Have you been thinking about improving your business or commercial building? SVD and the City of Cleveland have a few programs available for small businesses and property owners including the Storefront Renovation Program.

As a partnership between SVD and the City of Cleveland's Community Development Department, this program assists targeted neighborhood retail districts in becoming attractive, economically viable, and diverse places to shop. For more details, contact Marilyn Mosinski at Marilynm@slavicvillage.org or call 216-429-1182, ext. 105.

## I-77 & Broadway Construction Update

If you haven't noticed, the Broadway ramps on I-77 have been in construction since mid-2017. The closure is necessary in order to build a new frontage road along the west side of I-77. The new frontage road will run parallel to I-77 and connect Broadway Avenue and Pershing Avenue where traffic will then be able to enter I-77 southbound. Construction of the new frontage road is expected to take approximately 15 months, concluding this summer. Please continue to enter I-77 southbound, at Pershing until then.

The next phase of the project will include reconstructing Broadway Ave. over I-77, beginning summer 2018 and concluding in late 2019. Stay tuned for details on a start date and detours to have the best driving options avoiding the bridge closure.

These improvements are part of the Cleveland Innerbelt Modernization Plan, which is focused on enhancing safety, reducing congestion and traffic delays and modernizing interstate travel along I-71, I-77 and I-90 through Downtown Cleveland.

Slavic Village Neighborhood Summit 2018

THE NEW SLAVIC VILLAGE

# RTL Artists to be Featured at New Silver Scuro Gallery

Just in time for Valentine’s Day, Sweet on Fleet: A love story in Slavic Village, will be held at Steve Mastroianni’s new space at 5606 Fleet Ave on February 10<sup>th</sup>.

Check out the new installations and exhibit by Mallorie Freeman and Sean Jason Kelly, who actually met at Rooms To Let. Hearts, eyes, cute animals, and strange dreamscapes comprise a stunning collage of work by these two artists who are returning to Slavic Village with their talents and vision to warm your cold hearts.

This exhibit will be on view for one weekend only, so mark your calendars.

All work is for sale and can be taken at time of purchase, so bring cash or credit cards and leave with a piece of their hearts.

## Calling all Slavic Village Artists

Since last fall, the Slavic Village Artist Collective has been meeting monthly to discuss how art can continue to grow and impact the community. We are a support network in a neighborhood where the scene is building each year with gallery spaces, Rooms To Let and public art projects. If you are an artist of any kind- painter, sculptor, carpenter, photographer, musician etc- we invite you to join us at our next meeting in February; date TBD. Please call or email Joe Linsky at 216-429-1182 x 107 or joel@slavicvillage.org for more info.

## Slavic Village Rediscovered HOMES FOR SALE

# SVR Homes Now Qualify for Property Tax Abatement

As SVR begins construction on its 50<sup>th</sup> house, we also have some exciting news to share! All SVR homes will now receive a 15-year residential property tax abatement, due to the fact that they meet Enterprise Green Community Standards. Enterprise Green Community Standards set an energy efficiency renovation precedent that must be followed in order to receive the tax abatement. This includes specifications for the furnace, ductwork, hot water tank, insulation, light fixtures, windows, and recycling of construction waste, among others.

Of course, SVR will still complete its usual rehab, which includes new kitchens, bathrooms, flooring, electrical, plumbing, finishes, and more, on top of the green standards items. With all of these requirements, homes that meet these standards are more energy efficient, saving the homeowner on their utility bills, while also having a positive impact on our environment.

Not only will future SVR homeowners save on their utilities, but they will also save on their mortgage payments. While the actual numbers may vary, a

15-year residential property tax abatement can amount to a savings averaging \$1,000 per year, which can total \$15,000 saved over the entire tax abatement term! Monthly savings on the mortgage payment can amount to \$100, bringing SVR's average mortgage payments down to \$425 from \$525. Between your utilities and your mortgage, the savings on these energy efficient SVR homes are great!

Another bonus—this property tax abatement even applies to homes that SVR currently has listed for sale! SVR staff can answer any questions you may have, and also offer advice and free resources to get buyers ready to purchase their own SVR home, including credit counseling and homebuyer education. If you would like to save on your mortgage while enjoying the benefits of living in an environmentally-friendly home, give Shanayra a call at 216-429-1182 ext. 130. To see photos of all of our homes that are available now, visit [slavicvillagehomes.org](http://slavicvillagehomes.org). And as always, keep an eye out on Slavic Village Recovery's social media for construction updates, as we look to start our 50<sup>th</sup> house very soon!

## SVD's Annual Nite at the Races

Slavic Village Development's annual "Nite at the Races" returns on Saturday, January 27th, 2018 at historic Bohemian National Hall (4939 Broadway) in Cleveland's Broadway Slavic Village neighborhood.

Never been to a "Nite at the Races" before? At SVD's annual event, party-goers enjoy an evening out with friends while betting on video recorded horse races. The food is plentiful and the beer flows freely (for free); never has there been a better combination for gambling. Bonus: it's for a good cause—to support the work of Slavic Village Development!

**TICKETS:** Tickets are \$25 per person. Only 270 tickets will be sold. Go to the link below and make your purchase today!

# The New Broadway P-16!

You may have heard of the Broadway P-16 but are you aware of what it is? With the voice of youth, parents, residents and partners we have renamed and rebranded our work to align with what you have been telling us!

So, welcome 2018 and welcome Slavic Village P-16, funded by the Third Federal Foundation! We are a MyCom Neighborhood, funded by the Cleveland Foundation! We are a village that believes in supporting our residents and youth from cradle to career and beyond!

The Slavic Village P-16 initiative strengthens the Slavic Village neighborhood by collaboratively addressing barriers to academic achievement, while connecting young people and their families to their community and to quality programs, resources, and opportunities, so they may create their futures.

In doing so, we must address all the priorities you have identified through feedback, focus groups and surveys! These include:

- Safety
- Housing
- Health
- Employment
- Engagement
- Access to quality and affordable programs and services

If you would like to know more, follow us on Facebook as Slavic Village Development, where you will connect with these areas and more!

Join us for our monthly meetings on the first Thursday of the month at Third Federal. Contact Natalie Friedl at natalief@slavicvillage.org or 216-429-1182 ext. 121 for more information!

An example of our work can be seen in our current Light Up the Village Initiative! Love & Light up the Village - keep your lights on to show your community support on February 14, 2018!

You can sign up NOW for a new, FREE, energy-efficient light bulb and day-light sensor for your front porch! Call Slavic Village Development at 216-429-1182 x121 and leave a message with your name, address, and phone number by Wednesday, Jan. 31.

Light up the Village and help keep our neighborhood bright and safe!

In the cold winter months, students travel to and from school in the dark.

Keeping your porch light on makes your house safer for your family and for people walking past.

Thanks to our partners:

Slavic Village Development works with and for its residents, businesses, and institutions to promote civic engagement, community empowerment, and neighborhood investment. Learn more at [www.slavicvillage.org](http://www.slavicvillage.org).

Cleveland Safe Routes to School enables and encourages CMSD students in grades K-8 to safely walk or ride their bicycles to school. Learn more at [www.clevelandmetroschools.org/saferoutes](http://www.clevelandmetroschools.org/saferoutes).

Neighborhood Connections empowers people in Cleveland's neighborhoods to become more engaged with each other and the city around them by investing in citizen-led neighborhood projects through our small grants program. Learn more at [www.neighborhoodgrants.org](http://www.neighborhoodgrants.org).

## Homes for Sale

Like do-it-yourself? Try an investment with Neighbors Invest in Broadway this spring!

**6409 Fullerton — \$14,500**

3 Bedrooms | 1 Bathroom | 1,321 square feet

NEW! This brick cape cod has three bedrooms and one bathroom and is located in the Slavic Village Green Homes area near Fleet Avenue, with new construction homes nearby. A spacious garage and yard only add to the charm.

**8309 Bancroft — \$15,500**

2 Bedrooms | 1 Bathroom | 1,097 square feet

NEW! Enjoy living on a brick-paved, tree-lined street when you purchase this bungalow on Bancroft. The home has great character, a two-car garage, and a spacious yard, perfect for gatherings with family and friends.

**6916 Hosmer — \$19,900**

4 Bedrooms | 2 Bathrooms | 2,140 square feet

The rehab is already partially completed on this spacious double being sold as-is. The home includes new drywall, two new electrical panels, some new electric and plumbing, and a new furnace. The exterior is also in great shape. The property needs more work, but is a great investment opportunity!

For more information, contact Michelle Brzoska at 216-429-1182 ext. 102 or visit <http://www.slavicvillage.org/live/find-a-home/homes-for-sale/>
